### Technical Description

Compact four-section hinged ladder with multiple configurations. Use it as an A-frame step, straight ladder, work bench, ladder with stand-off or stairwell ladder. This ladder is fitted with stabiliser bars at both ends to help reduce sideways movement and keep you safe while you work.

Model 1303-020 comes complete with a scaffold board that locks in place and creates a simple low level platform to work from.

Model 1303-021 is not to be used as a scaffold in the trestle position

- » Strong square rungs
- » Spreader bars for additional stability

### Standards & Classification

- » Maximum Static Vertical Load 150kg
- » Conforms to EN 131

### Warranty

- » 5 Years
